- 1 **CHANDELIER**  
Cloud 27-Orb chandelier, Apparatus Studio, at Cavalier, cavaliergoods.com  
*"This chandelier feels like a cloud in the sky."*
- 2 **WALLS**  
Blue Heron 832 by Benjamin Moore, benjaminmoore.com  
*"A cool color might be unexpected for the mountains, but this blue works in any environment. Everything looks great against it."*
- 3 **COAT RACK**  
Industrial C Clamp coat rack, Urban Wood & Steel, etsy.com/shop/urbanwoodandsteel  
*"I love adding a little industrial edge when designing in the mountains. This coat rack is pretty ingenious!"*
- 4 **ARTWORK**  
Free Fall 3, oil on canvas, by John DiPaolo, at dolbychadwickgallery.com  
*"I like placing an over-scaled piece of art in a small room. It gives the space power and electricity. I love the movement of works by artist John DiPaolo."*
- 5 **FLOORCOVERING**  
Climb rug in Nutmeg by Celerie Kemble for Merida, meridameridian.com  
*"This woven rug has a rustic yet sophisticated quality to it. It reminds me of pine trees in the mountains."*
- 6 **BENCH**  
Belgian oak bench, Bernhardt, bernhardt.com  
*"This oak bench by Bernhardt is the perfect spot for slipping off snowy winter boots."*
